PRO Rebates™ gift cards paid quarterly. A minimum of \$25.00 must be earned to qualify for payout. Funds do not carry over to the next PRO Rebates™ period. Competition Specialties, at its discretion, reserves the right to disqualify any account and/or store from the PRO Rebates™ promotion at any time for any reason. Account must be current and remain current and in good standing throughout duration of promotion. PRO Rebates™ promotion calculations are based on valid shipped and/or finalized individual store purchases (after credits and/or returns if applicable). PRO Rebates™ VISA gift cards will be disbursed after valid finalized purchases have been calculated and the promotional period ends. Please allow four to six weeks to process PRO Rebates™ gift cards. Gift cards are valid from the last day of the rebate period for which the card was issued.
